

Giving Back: Our New Community-Focused Initiative

Beyond Efficiency is proud to be offering two free consultations to organizations or families in need of building-related technical assistance. Are you looking to solve a problem like poor indoor air quality, high utility bills, or general project planning and don't know where to start? Please submit your proposal or share this information with other candidates who could benefit from this valuable opportunity!

One applicant local to each of our office locations—the nine-county San Francisco Bay Area and Teton County, Wyoming or Idaho—will be selected. Best candidates will demonstrate financial need and serve a community benefit or underserved population.

- Submit form by 5:00 p.m. Tuesday, May 15, 2018 by mail or email (see header)
- Detailed, thoughtful answers will improve your chances of being selected
- Selected applicants will be notified by Thursday, May 31, 2018
